Alien In The Family

Aliens in the Family is an American science fantasy sitcom that aired on ABC, conceived as part of its TGIF lineup.

Aliens in the Family - Wikipedia

Created by Andy Borowitz, Susan Borowitz. With John Bedford Lloyd, Margaret Trigg, Paige Tiffany, Chris Marquette. Doug Brody (John Bedford Lloyd), is kidnapped by an alien mom named Cookie (Margaret Trigg). They marry and hilariously try to blend their blended family into everyday life. The aliens were puppets designed by Jim Henson's Creature Shop.

Aliens in the Family (TV Series 1996-) - IMDb

Alien in the Family continues the story six months on from the ending of Alien Tango, Kitty and Martini's relationship is stronger than ever and they are in the middle of planning their wedding. Their only worry should be how to keep the fact that Martini's family are all aliens a secret from Kitty's family but their lives are never that simple.

Alien in the Family (Katherine "Kitty" Katt, #3) by Gini Koch

Alien in the Family is the third book in the Alien series by Gini Koch. While you do not have to read the books in order, I highly recommend that you do. Ms. Koch has created a complex world of characters deep with history and backgrounds, and not reading the two previous books will diminish your overall experience of Alien in the Family.

Amazon.com: Alien in the Family (Alien Novels ...

Aliens in the Family was a half-hour sitcom that aired on ABC in 1996. The show used puppets made by Jim Henson's Creature Shop. The show focused on the Brodys, a mixed family consisting of Earthling Doug, his alien wife Cookie, and the children from their respective previous marriages.
