Unknown to the commoners, the elite are using advanced alien technology to produce super soldiers to take over the planet. The goal - safeguard earth from the prophesized bringer of Armageddon, the angel Daeth-X and an alien invasion. Only the ancient alien manuscripts hold the power to stop the cosmic destroyer and the destruction of humanity.

Daeth-X Armageddon Graphic Novels synopsis

I remember seeing Amazing Spider-Man #120, 121, 122 (The Death of Gwen Stacy and The Death of the original Green Goblin), many of the early X-Men stories, as well as concurrent issues of the "Avengers vs. Defenders War". To this day, I have yet to thank my cousin properly. People start reading comic books and graphic novels for a variety of ...
