

Sunpak Auto 2000dz Manual by Nauka (publisher)

**Sunpak Auto 2000dz**

The triggers work well with the other Sunpak 433 flashes as salves which I also ordered based on their flash recommendation from Amazon sellers. Long story short, the Sunpak 2000 DZ works on the camera, the triggers work with the Sunpak 433 flashes but there is a compatibility issue between these triggers and the Sunpak 2000 DZ.

Sunpak's main business is the planning, development, production and sale of aftermarket electronic flash units. The company also markets general underwater imaging equipment. Some Sunpak flash units have an auto power save function that may put the unit to sleep after about some time of inactivity (from 5 to 15 minutes, depending on model).
