Silverman, D. (2011). Interpreting qualitative data: A guide to the principles of qualitative research. London: SAGE. He suggests only transcribing parts of interviews.. what are the dangers here? what are the postivities? should all qualitative research be "grounded theory"? is there a place for research that is purely descrptive or

Silverman, D. (2011). Interpreting qualitative data: A ...

As the title, Interpreting Qualitative Data: Methods for Analysing Talk, Text and Interaction, makes clear the overall focus is on the analysis of data, rather than their "production" or "collection". There are some scattered remarks on data collection when this seems to have an impact on the analysis or as an extra suggestion.
